QUARTERLY ENVIRONMENTAL COMPLIANCE AND ENFORCEMENT SUMMARY

July 1, 2011 to September 30, 2011

BRITISH COLUMBIA | Ministry of Environment

BRITISH COLUMBIA | Ministry of Forests, Lands and Natural Resources

The 3rd Quarterly Environmental Compliance and Enforcement Summary for 2011 outlines 6 Orders, 25 Administrative Sanctions, 422 Tickets and 7 Court Convictions for a combined total of more than $92,000 in fines.

Notable highlights this Quarter:

A Port McNeil company was ordered to pay $4,000 by Victoria provincial court after pleading guilty to a charge resulting from illegally burning tires. LeMare Lake Logging Ltd. was charged under the *Environmental Management Act* after witnesses observed flames that reached higher than an adjacent mature forest stand.

Investigators estimated that up to 300 tires were burned, including logging truck tires that are considerably larger than a standard pickup truck tire. The judge fined the company $2,000 for the infraction and ordered it to pay an additional $2,000 to the Habitat Conservation Trust Foundation for habitat restoration projects in the North Island area.

The new database that was launched by the Ministry in July 2010 is now accessible on the Apps page of the Data BC site. The database allows information to be searched by violator names, locations, dates or types of violation, dating back to 2006 when the Ministry of Environment began public reporting of violations.

Our compliance and enforcement reporting includes orders, administrative sanctions, tickets and court convictions, covering hunting and fishing, open burning, mud bogging, dam safety, pesticide and pollution violations.
